

JACKDAW PHOTO

Portrait, Wedding & Event Photography

We believe that good photography requires time and effort and aim to provide beautiful, archival-quality photographs and made to last for generations. We take pride in our technical precision and professionalism and we love what we do and always have fun doing it!

GEMMA PARSONS

Gemma is an artist born in Oxford, but lived extensively in Sweden. She has been studying photography for seven years acquiring an outstanding knowledge in the diverse fields of photography. Her calm presence makes people feel very comfortable with themselves and their loved ones in front of the camera.

ASINETA SIMA

Sima is an artist from Northern Italy who is small in stature but has a commanding presence. She excels at coaxing people out of their shells and bringing out their inner confidence to make honest, candid photographs. She specialises in portraiture in the studio or on location and is passionate about capturing people's personalities.

PRICES

We are a group of photographers who cover all event photography, from small parties to corporate events and once in a life time.

We have set prices here as a guide, but be sure to email us for a precise quote. Our cost for one photographer per hour is £100 and includes all photographs. Our services can be tailored to suit your needs.

For all enquiries do not hesitate to contact us.

The following options include two photographers unless otherwise stated.

Photographs and videos can be delivered in a secure online format and/or on USB.

We are available for family portraits, fashion shoots, graduations, birthday parties, wedding portraiture and more for £100 / hour per photographer.

PACKAGES

All packages include a portrait session, which the newly wedds can choose to have before, during or after their special day. This is an additional service to capturing all the natural, candid moments throughout your beautiful wedding day.
